# MUNICH

This is your chance to meet experts, share work, and contribute to the future of software—together.

## DAY 1: EXPLORE (OCT. 18)

Hear from Europe's top tech and community leaders, and meet fellow builders at this one-of-kind community conference. We'll spend an evening exploring what's new, what's to come, and how you can get involved.

## DAY 2: ALIGN (OCT. 19)

This one-day event brings together team leaders and entrepreneurs to discuss what (and how) they're using GitHub at work.

*Register for the event that fits your interests—or join us for both!*

## Help us build capacity of open software users and developers with Hacktoberfest

Stefanie Butland

October 2, 2017

One of rOpenSci's aims is to build capacity of software users and developers and foster a sense of pride in their work. What better way to do that than to encourage you to participate in [Hacktoberfest](#), a month-long celebration of open source software!

## 2. OktobeRfest: Analysis of Oktoberfest data

# A BRIEF ANALYSIS OF AVAILABLE OPEN DATA ON OKTOBERFEST IN MUNICH, GERMANY FROM 1985 UNTIL 2016

# We're Daloha, Dan, Maggie & Pam

We recently joined forces to make **RLadies Munich** happen, but we'd be happy to have you join us on [Meetup](#), [Instagram](#), [Twitter](#), [Facebook](#) and [Slack](#)

**Now let's go for  
Brezn & Bier!**

## How to set up **Slack**

- Do one of the following:
  1. Send us a **private message** on **meetup** telling us the email address that you'd like to use to set up slack.

or

- 2. Send us an email to [munich@rladies.org](mailto:munich@rladies.org) from the email address that you'd like to use to set up slack asking us to send you an invitation (:
